Subject: Guidelines for Summer Vacation

Dear Parents and Students,

Kindly note the following points.

- Adventures are the best way to learn, when the school doors close the gates to summer vacation swing wide open, and everyday is a delightful journey into the world of Sunlit possibilities.
- Prepare Agenda for Hajj vacation and summer vacation.
- Time is precious, utilize it in a useful manner, Parents are requested to spend maximum time with their kids.
- Make a journal for daily events with Date and Time. Try to complete the task and check what you have learned and share your experience in diary to improve your writing skill.
- Focus on the School related Projects/Assignments and submit it, at the reopening of the School.
- Try to improve your Listening, Reading, Speaking and Writing skill. Make a habit of reading books, writing short anecdotes, essay etc.,
- Try to make use of five “W”, W – What, Why, Who, When, Where. Children can prepare some Quiz questions by using five “W” for regular Assembly.
- Parents are requested not to give electronic gadgets, and when children are using internet, it should be for educational purpose only.
- Parents can explain the importance of Moral / Ethical basic values to children time to time.
- We hope that upcoming vacation will be fruitful for each and everyone.
- To success in life for achieving results, each one must understand and master three mighty forces, i.e, Desire, Belief and Expectation.
- The end of a vacation is just the beginning of a new adventure.

***‘HAPPY, HEALTHY AND SAFE VACATION’.***
